(404) 637-0500 • Fax (404) 637-0501 www.brookhavenga.gov

Neighborhood and community outreach is required for all Film Production Permits. At minimum, the City of Brookhaven requires that all affected residents/businesses both on and adjacent to a proposed street closure be notified of such 7 days prior to the proposed Film Production. The City will provide the list of affected property owners to the location/site manager and the location/site manager will be required to send a notification letter and obtain signatures from each owner on the form below. When sending the notification letter and obtaining signatures, the event producer must provide the property owners a copy of the proposed street closure map. Additionally, notification signs may be required at the production company's expense in the neighborhood during the street closure for traffic routing purposes.
